Pharmacyclics LLC, An Abbvie Company, together with Janssen Biotech, Inc., created a unique set of patient support programs called YOU&i™ Support. This program is a personalized program that helps patients learn about access to IMBRUVICA® (ibrutinib), find affordability support options, and sign up for information and resources to support them along their treatment journey. The program provides patients with complimentary and personalized assistance while on IMBRUVICA® treatment by

- Contacting their insurance provider to help them understand benefits verification and appeals information
- Finding affordability options to help patients afford their treatment
- Providing educational disease state information
- Offering nurse call support that informs patients and responds to their questions

YOU&i™ Instant Savings Program

For eligible commercially insured patients, Pharmacyclics and Janssen Biotech offer the YOU&i™ Instant Savings Program to help with private insurance copay, deductible, and coinsurance costs for IMBRUVICA®. This program provides eligible patients who have commercial health insurance with the option to pay no more than \$10 per month* for IMBRUVICA®.

*Month refers to a 30-day supply subject to a maximum benefit based on 12 monthly fills. Eligible patients may qualify for instant savings on their commercial insurance co-pay, deductible, and co-insurance medication costs for IMBRUVICA®. Not valid for federal and state healthcare program beneficiaries. Not valid for patients enrolled in Medicare or Medicaid.

YOU&i™ Start Program

For patients with insurance coverage decision delays, Pharmacyclics and Janssen Biotech offer the YOU&i Start Program. This program offers eligible new patients who have been

prescribed IMBRUVICA® for an FDA-approved indication, and who are experiencing an insurance coverage decision delay of more than 5 business days, a free 30-day supply of IMBRUVICA®. Under appropriate circumstances, an additional 30-day supply may be provided. The free product is offered to eligible patients without any purchase contingencies or other obligations.

Johnson & Johnson Patient Assistance Foundation

For uninsured patients, the Johnson & Johnson Patient Assistance Foundation, Inc. (JJPAF) is committed to providing access to medicines for individuals who lack the financial resources to pay for them. Uninsured patients who are unable to pay for their medicine should contact a JJPAF program specialist at 1-800-652-6227 9:00 AM to 6:00 PM ET, or visit the foundation website at www.jjpaf.org, to see if they might qualify for assistance.
